Notice Concerning Revision of Dividend Forecasts for the Fiscal Year Ended March 31, 2025 (Dividend Increase)

Arisawa Mfg. Co., Ltd. (the “Company”) hereby announces that it has decided, at a meeting of the Board of Directors held on May 7, 2025, to revise its per-share dividend forecasts as described below.

1. Reason for the revision of the dividend forecast

The Company invests the funds it acquires during the fiscal year into expanding the scope of existing business and creating new business opportunities and actively returns its profits to shareholders. This policy will be applied until the equity ratio of around 50% is achieved.

Based on this policy, the Company has revised the year-end dividend for the fiscal year ended March 31, 2025, to 54 yen per share, an increase of 12 yen from the previous forecast, in light of the full-year consolidated performance disclosed today (May 7, 2025).
