Arisawa Mfg. Co., Ltd.

Notice Regarding Counterfeit of Our Products

Arisawa Mfg. Co. Ltd. has received information regarding the possibility of distribution of products similar to our electrical insulation material in China. We have received inquiries from some companies in China and are currently in the process of verifying their authenticity.

If you are not sure whether it is our genuine product, please contact us or an authorized dealer before purchasing. We are committed to ensuring that our customers can use our products with peace of mind and safety, and we will continue to take decisive action to eliminate counterfeit products and implement investigations and countermeasures. We will provide an update on this matter as soon as new information becomes available.

Please note that we cannot take any responsibility for any malfunctions or accidents resulting from the use of counterfeit products, so we would like to ask all customers to exercise sufficient caution.

Thank you for your continuing support of Arisawa Mfg. Co., Ltd.
